

# PFP Sticklers CleanWipes Fiber Optic Wipes

## Product Information

PFP Sticklers CleanWipes lint-free fiber optic wipes are static dissipating, optic-grade wipes for cleaning bare fiber before splicing, and also for cleaning fiber optic jumpers. Nonwoven high-modulus fabric resists shredding and tearing, even on LC connector end-faces. Ideal for cleaning bare fiber and fiber optic connector end-faces, plus lenses, mirrors, diffraction gratings, prisms and test equipment.

**Part Number: MCC-WF44**
