Description

This 1-ft. (0.31 m) Panel Mount USB extension cable is manufactured using USB2.0 cable. It features a panel mount connector that allows you to secure a USB B female port in a fixed location, for custom solutions such as an internally mounted drive. It is designed for use with USB 2.0 devices, but is backwards compatible and can also be used with USB 1.1. Made with superior foil shielding for reliable error-free data communications. The cable is manufactured with molded connectors and integral strain relief for extra durability and long life.
