HM Receptacle Connector: Traditional Backplane, Coplanar, 2mm

PCB Connector Assembly Type: **PCB Mount Receptacle**

Data Rate: **≤1 Gb/s**

Number of Columns: **25**

Number of Rows: **5**

Backplane Architecture: **Mezzanine**

[All HM Receptacle Connector: Traditional Backplane, Coplanar, 2mm \(48\)](#)

Features

Product Type Features

|                                   |                         |
|-----------------------------------|-------------------------|
| Ground Feature Type               | Ground Return Shielding |
| Backplane Interface Type          | 2mm HM                  |
| Connector System                  | Board-to-Board          |
| Connector & Contact Terminates To | Printed Circuit Board   |
| PCB Connector Assembly Type       | PCB Mount Receptacle    |
| Sealable                          | No                      |

Configuration Features

|                        |               |
|------------------------|---------------|
| Rows Loaded            | A, B, C, D, E |
| Number of Columns      | 25            |
| Number of Rows         | 5             |
| Backplane Architecture | Mezzanine     |
| Number of Positions    | 125           |

|                                                |                            |
|------------------------------------------------|----------------------------|
| PCB Mount Orientation                          | Right Angle                |
| Signal Characteristics                         |                            |
| Crosstalk Version                              | Standard                   |
| Data Rate                                      | ≤1 Gb/s                    |
| Body Features                                  |                            |
| Primary Product Color                          | Gray                       |
| Contact Features                               |                            |
| Contact Mating Area Length                     | 3.3 mm                     |
| Feedthrough Post Length                        | 3.7 mm                     |
| CompactPCI Designation                         | None                       |
| Contact Type                                   | Socket                     |
| Contact Underplating Material                  | Nickel                     |
| PCB Contact Termination Area Plating Material  | Tin-Lead                   |
| Contact Base Material                          | Phosphor Bronze            |
| Contact Mating Area Plating Material           | Gold                       |
| Contact Mating Area Plating Material Thickness | .76 μm[30 μin]             |
| Contact Current Rating (Max)                   | 1.5 A                      |
| Mechanical Attachment                          |                            |
| Mating Alignment Type                          | Multi-Purpose Center       |
| Connector Mounting Type                        | Board Mount                |
| Housing Features                               |                            |
| Housing Material                               | Polyester - GF             |
| Centerline (Pitch)                             | 2 mm[.078 in]              |
| Dimensions                                     |                            |
| Backplane Module Length                        | 50 mm                      |
| Usage Conditions                               |                            |
| Operating Temperature Range                    | -55 - 125 °C[-67 - 257 °F] |
| Operation/Application                          |                            |
| Shielded                                       | Yes                        |
| Circuit Application                            | Power & Signal             |
| Industry Standards                             |                            |
|                                                |                            |

|                        |          |
|------------------------|----------|
| UL Flammability Rating | UL 94V-0 |
|------------------------|----------|

Packaging Features

| Halogen Content                               | Not Low Halogen - contains Br or Cl > 900 ppm.                                                                                                                                                                                                                                                                                                                                                                              |
| Solder Process Capability                     | Not applicable for solder process capability                                                                                                                                                                                                                                                                                                                                                                                |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
