

WS-15

WS-15, 40 Taper Tool Shelf, Steel, 13" x 7", 40 Pound Max Load

Description

WS-15 work station shelves from Ruland fit into existing 13" machine tool rail mount systems and are designed to organize 40 taper tool holders. Made from 16 gauge steel with custom sized plastic inserts for proper tool fit and protection from damage, shelves can be moved from one machine to another without disassembly and make great set-up trays. Each shelf is capable of holding up to 40 lbs and is durable enough to withstand harsh manufacturing environments. Tool clutter can be virtually eliminated and productivity increased when using these shelves.

Features & Benefits

- Neatly stores 40 taper tool holders
- Fits into standard 13" CNC rail mounts
- Eliminates tool clutter
